Love undefeated; conversations with Derek Jarman

Roberto Nanni (/en/persons/roberto-nanni)

--Roberto Nanni: 'John Major, the Apocalypse of The Last of England, Yves Klein and Blue, Salo and Rome in 1947, his garden in Dungeness and the local nuclear power station, safe sex... More than enough to talk to Derek Jarman about. Where do we begin? Jarman suggests at the beginning: his memories.'
